At Cultural Embrace we specialize in connecting individuals with international experiences. This Spring, join us on a pre-planned *Service & Cultural Trip to Guatemala!* **Cultural Embrace** wants you to be more than a tourist; we want you to fully interact with the local culture and communities you are visiting!

Choose from Medical, Environmental, Teaching, or Construction Volunteer Projects

Volunteer projects include: Teach, tutor, and play with children in low-income daycare community centers. Work with street children, handicap & disabled children, and troubled teens. Work in hospice, local hospital/health centers, pharmacies and nursing homes. Help build and maintain gardens and yards in at-need community centers. Contribute to building, fixing, and painting for at-need construction projects in schools and community centers. Groups may work together on one project or be divided into teams to work on different service projects- based on group size, skills, and Spanish language knowledge.
